Conquering Space.

La Conquête de l'Espace

E Espaces stellaire ou espace terrestre.
Ch Chimère nourrie par l'homme depuis la nuit des temps.
E Explorer, aller voir ailleurs, plus loin,
re repousser les limites et les frontières, conquérir
un lopin de terre de l'autre côté des mers
à à défaut de s'installer sur une étoile.

Notre nouvelle collection

← à jouer des limites des murs entre lesquelles elle prendra place. →

Elle s'inspire partiellement de l'espace urbain, en revisite les plans et les tracés. Elle regarde aussi l'infiniment petit ou l'infiniment grand et s'y plonge.

Les traits se tendent ou se déforment, se structurent ou s'assouplissent, se fragmentent ou se recomposent avec de minuscules particules.

Dans le simple but de faire de votre moquette une création ludique et originale, un espace de vie esthétique et agréable où confort et créativité se rejoignent.

**The conquest of space,
 be it in the stars or on earth,
 has been man's dream since the dawn of time.
 Exploring the world around us, finding out what is over
 there, going further than ever before, pushing back
 boundaries and frontiers, conquering a small plot of land
 overseas because the stars are unattainable.**

Our new
 collection might not set out
 to conquer the skies, but it does

← play with the limits of the walls within which it is placed. →

Inspired in part by the urban space, reinventing its layouts and outlines, the new collection looks at the infinitely small and the infinitely large and plunges into both. Lines are stretched and deformed, restructured and softened, fragmented or reformed from minuscule particles. Our simple aim is making your carpet an original and playful creation, an aesthetically-pleasing space where comfort and creativity unite.
